Niyama Scrub

45 mins

The first step to cleansing and a prelude to any massage or body experience. Removes dead skin and toxins, and improves circulation. A rain shower provides a refreshing, light sensation. Coconut, Maldivian coral sand and freshly pressed coconut oil melt into the skin, gently polishing away impurities.

Inhalations of selected essential oils and a stimulating body brush prelude an aromatic pressure massage of the back, neck and shoulders. A recharging, gel body mask rich in minerals and plant essences is applied, while an acupressure foot and scalp massage with essence of lime releases trapped energy. An eye massage with chilled lava stones invigorates and reduces puffiness. Perfect for pre or post travel.

1 hour 30 mins

A very comforting and nurturing full-body massage, perfect for those with tight, sore muscles. Surrender to the rhythmical, long sweeping movements of the Lomi Lomi technique, whereby aromatic gels are applied to instantly relax the muscles and ease tension.

After, indulge in a signature Drift Hot Stone Massage that combines powerful ginger and black pepper essential oils to ease aching muscles.
