AT ANGSANA VELAVARU MALDIVES

Perched on an expansive private lagoon in the virtually untouched South Nilandhe Atoll in the Maldives, and just a 40-minute seaplane journey from Velana International Airport, Angsana Velavaru (the island known as "Turtle Island" in the local Dhivehi language) is surrounded by sparkling turquoise waters and ocean views as far as the eye can see. This luxurious tropical getaway offers 79 private villas, all with beach frontage, and a cluster of 34 InOcean Villas, the first standalone collection of water villas in the Maldives perched one kilometre from the main island.

Angsana Velavaru is the epitome of dining luxury. With 6 outlets featuring a lavish spread of International, Mediterranean with Mexican twist, Asian or Maldivian cuisine, even the most discerning palette will be pleased.

Guests looking for an adrenaline rush can choose from motorized and non-motorized sports or the complimentary snorkeling by boat organized on the daily basis. Other adventures include the use of stand-up paddle boarding, kite flying, wake boarding, knee boarding, mono skiing and marine exploration in a glass bottom canoe.

With its proximity to more than 30 vibrant dive sites, Angsana Velavaru

is the ideal location for novice to experienced divers. Certified instructors at the PADI Gold Palm 5-Star Dive Centre offer different courses and excursions to explore the pristine waters of South Nilandhe Atoll. Divers can get up close and personal with black tip reef sharks, eagle rays, turtles and whale sharks, among other exotic species.

For those interested in giving back, the programmes organized by Angsana Velavaru's Marine Conservation Lab are a prime place to begin. Guests can participate in coral planting to replenish damaged reefs and snorkeling trips to learn about the abundant marine ecosystem and coral gardens found in and around the lagoon.

Angsana Velavaru's Kids' Club offers kids pool & child-friendly activities such as treasure hunts, craft workshops, Olympic-themed games, and more. Kids diving lessons are supervised by certified instructors, take place in the lagoon and are a great way to help kids experience their first underwater breath.

Angsana Spa's revitalising treatments place special emphasis on the use of natural elements such as native flowers and fruits. Therapies are based on the use of aromatherapy, therapeutic touch, and a fusion of techniques from East and West to revive and nourish.

# WEDDINGS

SAY I DO AT VELAVARU

ANGSANA VELAVARU IS AN IDYLIC DESTINATION TO SURPRISE A LOVED ONE. STAND UNDER A DHONI-SHAPED WEDDING PAVILION BY THE INDIAN OCEAN, AND SAY 'I DO' UNDER THE STARLIT SKIES. FOR A DIFFERENT EXPERIENCE, DIVE DEEP INTO THE HOUSE REEF AND GET MARRIED UNDER WATER, OR ESCAPE TO A SECLUDED SANDBANK PREPARED JUST FOR YOU.

## SUNSET WEDDING AT PAVILION

The Pavilion Wedding Experience offers the assistance of Angsana Velavaru's wedding planner to design a carefully crafted Maldivian wedding celebration, with the traditional Maldivian drummers (bodhu beru) being a popular favourite.

## SUNSET BEACH WEDDING

Say 'I do' or renew your wedding vows in a romantic setting on the Angsana Velavaru beach against the amber glow of the setting sun. Weddings need to be booked two weeks in advance to allow us to arrange the best wedding beach party that you could ever dream of.

## CASTAWAY ISLAND BEACH WEDDING

The ceremony starts with the planting of a coconut tree to commemorate the special occasion on Velavaru. The couple will then be escorted by the wedding party and traditional Maldivian drummers on a decorated boat to a nearby secluded island where the vow exchange will take place. Then it's time to pop the champagne and enjoy an exclusive Beach BBQ dinner on the white sandy beach while gazing at the stars.

## DESIGNER WEDDING

Planning on a big wedding? We recommend sourcing one of the local wedding decor & planning companies from Maldives. Alongside our team on the island, the experts will work on stunning floral color combinations, decor choices, linen, accessories and many captivating tiny details.

## UNDERWATER WEDDING

For something completely different, plunge into the marine world and enter our underwater wedding garden where schools of fish in the depths of Velavaru lagoon will bear witness to your matrimony. An underwater photographer will be on hand to capture the special moment of ring and vow exchange. Then look forward to a romantic sunset cruise and private BBQ dinner.
