BY ELEGANT HOTELS

ALWAYS SUNNY

ALWAYS CHEERFUL

ALL-INCLUSIVE

Carefree and Casually Elegant

With a reputation as the ultimate all-inclusive, all-suite beach resort in Barbados, Turtle Beach is the Caribbean's unofficial capital of vibrant fun for all ages. Immerse yourself in the relaxation of two free-form swimming pools and a whirlpool, or delight in the upbeat enjoyment of the separate wading pool. Share in sunny experiences like building sandcastles or exploring our 1,500-foot-long-white-sand beach, where sea turtles return year after year for their nesting grounds. Rediscover the joys of true togetherness while we handle all the little details. Play with the kids while our Beach and Pool Ambassadors bring you cool beverages and treats. Savour a sophisticated upscale dinner without worrying about the cost. At Turtle Beach, you'll find the effortless enjoyment of your all-inclusive stay is one of life's ultimate luxuries.

Wrapped in the year-round breezes of Barbados' South Coast, just moments from St. Lawrence Gap, you'll truly find something for everyone. Try a variety of complimentary watersports like boogie boarding or sailing through warm Caribbean waters. Play cricket or volleyball on the beach. Let little ones experience the guided arts, crafts, songs, games, and other local cultural activities like Bajan road tennis or dialect lessons at the Flying Fish Kids Club. Watch teens create their own fun with video games, foosball, and pool tables all right on property. Gather round the table for a carefree family meal at two on-site restaurants, both offering cuisine designed to satisfy both adults and kids or enjoy an intimate dinner at our adults-only Italian fine-dining restaurant. Go on a shopping excursion, take part in enriching cultural activities, or pass the time in the comfort of all-suite accommodations... it is all complimentary with your stay.

Barbados All-Inclusive Enjoyment with Southern Exposure

On the South Coast of Barbados, the atmosphere is lively and colourful. The Turtle Beach experience reflects this in sophisticated style with a mix of upbeat fun and tropical tranquillity. An air-conditioned Fitness Centre offers state-of-the-art equipment, complimentary aerobics classes, and Aquacise for staying fit. All-ages activities keep every traveller engaged.

When it's time to disconnect, a spa facility provides a wide selection of treatments such as aromatherapy massage, body wraps, and a variety of beauty salon services. And, when you venture beyond the resort, there are abundant choices to explore. Visit historic sites and natural wonders. Enjoy shopping in all ranges in nearby Bridgetown. Play golf. Partake in the vibrant nightlife of St. Lawrence Gap, walking distance from the hotel. Or, stop in at Oistins, the famous local fish market, just minutes away from the resort.

Of course, Turtle Beach also delivers a splendid array of dining options for breakfast, lunch, dinner, snacks and more. Try Chelonia's open-air setting with its gently cascading waterfall for an extensive daily breakfast buffet or dinner selections with creative themes like Jack Souls Beach Barbeque Grill or treat yourself to the laid-back beachside fare at the Waterfront Restaurant. Give yourself a relaxing break to the day with complimentary afternoon tea. Indulge in upscale Italian cuisine and grown-up ambience at Zagat-rated Asiagos. Or, explore the offerings of other participating Elegant Hotels with our exclusive Taste of Elegance Dine Around Programme.
